**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My service provider, Sonic uses unbundled copper and inter-city fiber transport elements (UNEs). I depend on them. Please make sure that they still have access to these resources. Otherwise I will be greatly harmed. Their service is the only one that can meet my requirements. I have tried all the other alternatives in my area and they are the only one that works for me.
